

## **Subject: Corrigendum EMSA NEG/20/2019**

With regard to the suitability of tenderer's key persons referred to in paragraph 13.3.2 of the Tender Specifications, it is clarified that the **Maritime Expert** or equivalent profile (subject matter expert) shall not be included in the proposed project's team as part of the Selection criteria (Technical and Professional capacity).

A subject matter expert will be provided by EMSA to follow the development of the project.
